The School building of **DAV PUBLIC SCHOOL BHARMOUR, DISTT. CHAMBA** was inspected by me on dated 15/10/22 along with Junior Engineer and Chairman of School building of DAV Public School Bharmour. I certified that the **DAV PUBLIC SCHOOL**, seems to be safe by physical appearance to run school classes for the financial year 2023-2024. However, at this stage it is possible to analyses and check the stability of the existing building as hidden dimension and reinforcement if any, could not be verified during the inspection. Therefore, the safety certificate is hereby issued for the year 2023-2024 on the basis of physical appearance of the building.
